

Gut immunity

Ramnik Xavier
Broad Institute
Ye-Ji Bang
Seoul National University
Kazuyo Moro
RIKEN IMS
Osaka University

RNA Biology in Immunity

Sun Hur
Harvard Medical School
Manolis Pasparakis
University of Cologne
Hiroki Kato
University of Bonn
Yuka W. Iwasaki
RIKEN IMS
Osamu Takeuchi
Kyoto University

Behavior & Immune System

Hans-Reimer Rodewald
German Cancer Research Center
Anna Victoria Molofsky
UCSF
Takaharu Okada
RIKEN IMS

Multi-Omics Analysis

Gosia Trynka
Wellcome Sanger Institute
Keisuke Goda
The University of Tokyo
Yukinori Okada
RIKEN IMS
The University of Tokyo
Osaka University

Immunodeficiency & Gene Therapy

Gay M. Crooks
UCLA
Satoshi Yamazaki
The University of Tokyo

JSI Young Investigator Awardee

Baihao Zhang
RIKEN IMS
Daichi Yamasoba
Kobe University
Saya Moriyama
National Institute of
Infectious Diseases

RIKEN IMS-JSI

International Symposium on Immunology 2024

Cultivating Immunity for Health

25 - 26 June, 2024

**Ito Hall, Ito International Research Center
The University of Tokyo, Japan**

Organizers

Kazuhiko Yamamoto
Director, RIKEN IMS
Tomohiro Kurosaki
President, JSI
Ichiro Taniuchi
Chair, Program Committee
Kazuyoshi Ishigaki
Chair, Steering Committee

Registration

12 March - 3 June, 2024
