Scientific Symposium

How to boost research collaborations through open data exchange

15.12.2021 - Hybrid

About the symposium

The Symposium is organised in the framework of the collaboration between the [RIKEN Institute](#), Luxembourg research institutions and involved collaboration partners. A fundamental element of this collaboration are the so-called joint [RIKEN Outpost Labs in Luxembourg](#) where scientists from Japanese research institutes undertake research in the Grand-Duchy and thereby further intensify their collaboration with Luxembourgish partners from the [Luxembourg Centre for Systems Biomedicine of the University of Luxembourg](#) (LCSB) and the [Luxembourg Institute of Health](#) (LIH). The Symposium will take place on the **15 December 2021 from 8:30 to 11:35 Luxembourg time, 16:30 – 19:35 Japan time** in a hybrid format thus a partially in-person meeting and livestreaming via Webex conference call. The Lecture talk will focus on 'Boosting research collaborations through open data exchange, environmental impact on human health and global developments'.

Present your project to an international scientific community!

The conference's Scientific Committee invites you to **submit an abstract to present your scientific work** that developed within the framework of the Luxembourg-Japan research exchange program or offers new collaborative opportunities for the future.

Selected candidate will have the opportunity to present their project or idea in a **20min presentation**, including discussion time.

Guidelines for Abstract Submission

- Abstract should be max. 250 words and should be submitted in MS Word Format. Please add one sentence why your idea could benefit (from) the Japan-Luxembourg partnership.
- Submission is done electronically to the e-mail address: lcsb-events@uni.lu. Please use as email subject: "Japan-Luxembourg December 2021: abstract"
- **Deadline for submission: 15 October at 12:00 Luxembourg time and 20:00 Japan time.**
- Selected candidates will be notified by the beginning of November.

Registration

Registration and participation is free of charge via this link [here](#). Please chose between a) on-site seated registration option or b) the online registration option which will livestream the event on Webex. The on-site event will take place at Campus Belval and will have limited seating and will follow the CovidCheck procedure.

Online registered participants will receive login details via email before the event.

Organizers:

- Ulf Nehrbass & Markus Ollert (LIH); Reinhard Schneider & Paul Wilmes (LCSB);
- Haruhiko Koseki & Toshimori Kitami (RIKEN IMS); Eiryō Kawakami (Chiba University, RIKEN MIH).

Preliminary Agenda, Wednesday 15 December 2021

08:30 Lux 16:30 Japan	Ulf Nehrbass, CEO of the Luxembourg Institute of Health, LIH Haruhiko Koseki, RIKEN IMS WELCOME - Opening words
08:40 Lux 16:40 Japan	Chair: Markus Ollert, LIH Interactive Exchange Session, Part 1 - Our successes Slot 1: Slot 2:
09:20 Lux 17:20 Japan	Chair: Paul Wilmes, LCSB Lecture talk on "Open data exchange, environmental impact on human health and global developments" Speaker to be confirmed
10:05 Lux 18:05 Japan	BREAK
10:15 Lux 18:15 Japan	Chair: Eiryō Kawakami, Chiba University, RIKEN MIH Interactive Exchange Session, Part 2 - Stories of the present Slot 1: Slot 2:
10:55 Lux 18:55 Japan	Chair: Kzuyo Moro, RIKEN IMS Interactive Exchange Session, Part 3 - Opportunities for the future Slot 1: Slot 2:
11:35 Lux 19:35 Japan	Reinhard Schneider, Deputy Director, LCSB CLOSING - Closing remarks
